

Certificate of Training

T Ajheet Kumar

has successfully completed an 8-week online training on **Web Development**. In the training, Ajheet learned HTML, CSS, JavaScript, and front-end development concepts, along with responsive website design and deployment. The training also covered hands-on projects in web application development, focusing on user interface, interactivity, and performance optimization. Ajheet scored 100% marks in the final assessment and is recognized as a Top Performer in this training. We wish Ajheet all the best in his future endeavours.
